About Me

I'm a passionate Web3 enthusiast with over two years of hands-on experience in building and supporting blockchain communities. I've been actively involved in onboarding people-especially from my local region-into the world of crypto by simplifying concepts, answering questions, and sharing helpful resources. I enjoy working closely with teams to grow strong, informed, and engaged communities.

What I Do Best

- Community Moderation & Support
- Writing content that educates and engages
- Acting as a bridge between projects and users
- Promoting Web3 adoption through local and online outreach
- Applying a grassroots approach to help new projects grow

My Experience

LMGX Token - Community Moderator & Content Writer (April 2025 - Present)

- Welcoming and guiding new community members on Telegram
- Writing content to explain the project and keep users informed
- Supporting the team during their token launch on Bitmart

Amiru Ahmad - Resume

Neurolov - Volunteer Contributor (March 2025 - Present)

- Helping manage community channels
- Creating awareness and answering user questions
- Sharing updates and breaking down technical info for easier understanding

Ambassador Programs I'm Engaged With

I'm actively applying or volunteering for several Web3 projects, including:

- Pactus Blockchain
- NOCTRA AI
- Olympus Project
- Neurolov
- LMGX Token

I'm always on the lookout for new communities where I can make a real impact.

Education

Shehu Shagari College of Education, Sokoto, Nigeria

Undergraduate in English Language & Social Studies

Languages I Speak

- English
- Hausa
