sahba

Hi there, I'm Sahba 👋

🎯 A passionate **Front-End Developer** who loves turning designs into clean, responsive, and user-friendly websites.
💻 Based in Iran, working remotely with clients worldwide.
🌱 Currently improving my skills in **JavaScript** and soon learning **React**.

💼 What I Do

I specialize in building:

- 🎨 Responsive websites with **HTML, CSS, Bootstrap, and Flexbox/Grid**
- 🧮 Functional components using **JavaScript**
- 🖼️ Clean UI designs converted from **Figma** prototypes
- 📱 Mobile-first layouts that look great on all screen sizes

🧰 Tech Stack

HTML5
CSS3
JavaScript
Bootstrap
Figma
Git

📁 Projects

🔷 **All My Work In One Place:**
📌 [Projects Repository](#)
A collection of my small to medium-sized front-end projects with mockups, structure explanation, and tools used.

Project	Live Demo	Code
🍲 **Recipe Website**	[Live Demo](#)	[GitHub](#)
🧮 **Financial Dashboard**	[Live Demo](#)	[GitHub](#)
👗 **Dress Shop Website**	[Live Demo](#)	[GitHub](#)
🍵 **Starbucks Landing Page**	[Live Demo](#)	[GitHub](#)
☁️ **Weather App**	[Live Demo](#)	[GitHub](#)
