Professional Summary

Reliable and multilingual freelance translator and crypto onboarding specialist with extensive experience in asset management, content translation, and blockchain education. Fluent in five languages with proven ability to handle technical and user-focused content across multiple platforms. Skilled in helping users onboard to major crypto exchanges and services with secure, fast, and user-friendly processes.

Key Skills

- Translation (English, French, Russian, Kiswahili, Spanish)
- Crypto onboarding (Binance, Yellow Card, Bybit, Darkex, Bidget, Galaxy, Amazon Seller)
- KYC assistance and identity verification support
- Asset management and client wallet handling
- Article/blog writing (crypto & fintech-focused)
- Crypto wallet setup (Trust Wallet, Metamask, etc.)
- P2P trade facilitation and client education
- Secure file handling and confidentiality
- Deadline-driven task execution

Freelance Experience

- Freelance Translator & Language Specialist – Self-Employed (Remote)

Jan 2023 – Present

- Translated diverse content in five languages across technical, crypto, and general topics
- Delivered high-accuracy translations for websites, apps, and documentation
- Consistently met tight deadlines while maintaining linguistic integrity and tone

- Crypto Onboarding & Wallet Support – Remote

Jul 2023 – Present

- Helped over 150 clients register and verify accounts on Binance, Yellow Card, Bybit, Darkex, Bidget, Galaxy, and Amazon Seller platforms
- Offered step-by-step wallet setup, P2P trading assistance, and asset transfer education
- Handled client onboarding across mobile and desktop apps with a focus on security

Education

Bachelor's Degree in Information Technology – Kibabii University

Expected Completion: [Update if needed]

Focus: Networking, cybersecurity, and blockchain fundamentals
