

This is Morteza, I am a visual designer.  
I produce commercial artwork for well known brands and create art that tells your brand stories.  
I will tell your story to your audience through my art and always eager to create something new and try to stay update on trends.  
Design, layout or perhaps animation, I can manage and Direct projects and create multiple forms of art at once.  
I am available for hiring and freelance projects

### I can create:

Brand Design & Identity - Typography - Illustration -  
Icon Design - Comicstrip - Cartoon - Mascot -  
Character Design - Background Art - Game Art -  
Storyboard - Motion Graphic - NFT Art - Cover Art  
2D Animation - Logomotion - Creative Presentation -  
Font Design - Animated Gifs - Pixel Art and Print stuff
