Philippines

Graphic Designer/Video Editor

## PROFILE

I am a skilled graphics designer and virtual assistant. I use various softwares and applications to bring clients' visions to life, and manage projects and collaborate effectively with clients. I handle customer inquiries, manage social media, conduct research and data entry, and offer comprehensive services such as designing graphics for social media, creating presentations and reports, managing websites, and assisting with administrative tasks. I work proactively, adapt well, and deliver high-quality work that exceeds client expectations.
