Work Experience

- I am an SEO expert and content writer with over 5 years of experience in search engine optimization and online marketing. Besides having a sharp eye for detail, I can identify and fix problems with websites.
- I have experience working with small and Fortune companies, and my track record shows you how successful I have been.
- It is my mission to help businesses rank higher in search results and develop long-term, successful relationships with their customers.
- My specialty is helping companies increase traffic and conversions through effective search engine optimization, online marketing, and content marketing strategies .
- I am well-versed in how major search engines work, so I can design campaigns that rank high on major search engines.

My Specialties

- SEO (Search Engine Optimization)
- Content Writing
- Content Marketing
- Personal Branding
- Local SEO (Local GMB Optimization)
