WORK EXPERIENCE

Graphic Designer

Semantix Company and Freelancing

Greetings! I'm an experienced Graphic Designer freelancer with 8 years in the design realm. I've crafted compelling designs with Semantix and freelanced for clients across the USA, UK, Europe, and Canada. Excited to infuse creativity into your project and bring ideas to life. With 8 years of design experience, I'm a Graphic Designer freelancer who has spent the last 2 years collaborating with Semantix Company. This enriching experience has refined my skills and creativity, making me adept at transforming ideas into impactful designs.
