- \* Quick problem solver
- \* Flexible working time zone according to clients
- \* Personality (Honest, Humble, Passionate)

## WORK EXPERIENCE

**Core Senior Full Stack Engineer** LE MOUVEMENT DES ENTREPRENEURS LIBRES  
Nov 2021 - Dec 2022

Nuro is an AI-driven video editor that fully automates the video editing process. It helps experts, course creators, authors, coaches and consultants who have valuable content to share and want their students and clients to watch their videos to the end. Since Nuro creates those videos with a single click, our customers save tens of hours of grueling editing work and tens of thousands of dollars of freelancer costs.

**Senior Full Stack Developer** 200 SYSTEMS  
Feb 2020 - May 2021

In Brasil has a bunch o laws that regulates everything. This customer is focused on the environment ones... so big factories need to obey those environment protecon laws to avoid fines. This system has all laws regarding env. protection. So, when customer handle a specific type of product that could harm some environmental law, the system supports all the papers need to have to proceed with this kind of activity
