WORK EXPERIENCE

Sales manager 2020-2021

Raccoopac marketing agency

I work here as a sale manager for this agency and with my experience and professionalism in digital marketing and business administration, I am able to make 100% sales for this agency. And I was promoted to the post of the senior in sales department and I also make more sales in the post

Digital marketer 2021-2022

Baires marketing agency

I work here as a digital marketer in this company whereby, this company is a company that offering programming service such as; coin creation and all other programing niche that is related to stablecoin and Blockchain development, website development, Smart contract development, and all others. I help in the sales of coin and broadcasting the company's project.

Freelancer 2022- now

Fiverr

I am currently working on Fiverr as a freelancer to make my service known to the world at large, as you have known that Fiverr is the largest freelancing platform that needs more expert to work on them and also need more experienced and professional digital marketer who can help people grow their project and all other related project.
