## Summary

I am a cryptocurrency writer who loves to see businesses grow astronomically by a big number of customers and high revenue because of conversion-focused content and result oriented digital marketing strategies.

I am a blockchain writer who provides top quality, well researched, and error-free writing that will meet your specific business needs. A writer for hire who is keen on good grammar, authenticity, and effective content marketing.

Did you say a freelance financial writer is needed?

Is a fin-tech or financial content writer needed for your business?

Please, let True Promise Marketing serve you through the following ways;

1. Web copy and content (The foundation of your website communication to provide excellent user experience)
2. Blog writing (To connect with your current and potential clients via fresh, engaging and problem-solving posts)
3. Social media content writing (A medium used to propagate your brand to social audiences on Twitter, Facebook and LinkedIn)
4. Digital Marketing (Email marketing, SEO and SMM to be super specific on how these can be utilized for your business)
5. Editing and Proofreading ( To help all fellow writers to have spick and span content for presentation to clients. Ebooks, Short stories and manuscripts are welcome for editing)
6. News writing ( For news in Blockchain, Cryptocurrency, Fintech and Emerging Tech)
7. Sales copy/ ad copy/ copywriting/case studies/whitepapers ( The lifeblood of how to convert potential clients to sales)
