Profile

I am an ecommerce and automation rockstar. I love helping clients with their Shopify stores and E-commerce website, especially the projects that require email marketing services and SMS marketing service.

I have completed good numbers of projects on several platforms like; Klaviyo, Mailchimp, Hubspot, active campaign, sendgrid, Zapier, easy webinar, cloudtalk, lead bridge, chatbot, manychat and lot more.

Does looking at your abandoned cart rate make you just a little bit unhappy?

Do you wish more of your visitors to buy your products before leaving your site (sometimes for good)?

Are you tired of wondering what to send to your list that will get you more sales?

Do you want Top notch SMS marketing for your store and company?

Do you wish you had an experienced marketing team that could handle the creative and technical aspects of email marketing, drive

"Great communication, timely delivers and great work overall, would recommend

sales, convert prospects, all for less than the cost of a part-time marketing employee?

NOT MANY EMAIL MARKETING SPECIALISTS ARE WILLING TO GUARANTEE YOU 100% SUCCESS...

When we work together, I'll help you implement improvements to trigger more signups, boost engagement, get more sales, repeat business, enhance your reputation and credibility. So that YOU get the RESULTS you need,

I also help eCommerce stores boost their sales and convert more visitors into customers using a consistent dose of email marketing automation. You get the benefits of consistent content (newsletters, Automation, Klaviyo flows, and special promotions) without thinking about it yourself.

Let work together.

Samuel's work to anyone."
