Work experience as a teacher is an essential stepping stone towards becoming a proficient and influential educator. Its inherent value transcends theoretical knowledge, equipping teachers with the tools needed to engage students effectively and foster their intellectual growth.

### Faith Baptist Christian Academy of Butuan Graphic Designer

#### 2020 - present

My experience as a graphic designer has emboldened my creative mindset, enhanced my eye for detail, and equipped me with technical proficiency in various design software. Working on design projects has instilled in me the ability to think visually and create aesthetically pleasing content. Not only does graphic design allow me to express my creativity, but it also demands precision, organization, and the ability to work under strict deadlines – all highly sought-after qualities in any given profession.
