## ABOUT ME

I'm passionate about learning new things and working with video content. I believe that through education we can make a better world, and if it is fun and engaging, it will reach more people.

## EXPERIENCE

### Freelance Video Editor. 2019 - present

- Create design concepts for motion graphics, storyboarding
- Basic editing work: color correction, sound design, transitions
- Advanced editing work: Multi-camera editing, working with green screen, 2D Animation, creating Intros

### Lactation consultant, 2017 - 2019

- Helped parents with lactation issues
- Organized thematic meetings in collaboration with La Leche League
- Psychological support in difficult situations

### Supply manager, Quality engineer, JSC BTC group. 2013 - 2016

- Worked under high tight deadlines and strict bureaucracy
- Communicated a lot with different contractors and suppliers
- After leaving the company, three people took up my work

### Programmer, Saint-Petersburg University of Technology and Design. 2010 - 2013

- Implemented database of faculties and departments documentation which simplified department's work
- Worked with and edited multiple educational documents to maintain their compliance

## OTHER EXPERIENCE
