## SUMMARY

Cryptocurrency enthusiast, with up-to-date knowledge of global blockchain and crypto activities; have actively promoted over 10 crypto projects to the worldwide crypto space; willing and available to provide effective and efficient solutions to the growth of crypto projects around the world.

## WORK EXPERIENCE

### Motion Graphics

Created lots of motion graphics for projects I worked for since 2021. Two of my videos have been used by Academiahub, StaFi protocol respectively. Familiar with a dope premier pro, capcut, canva and renderforest.

### Graphics Designer

Created over 50+ graphics including flyers, banners, logos, infographics etc. Familiar with creative apps like Figma, artboard, photopea, photoshop, canva.

### Content Writing

Written a lot of inspiring articles, technical write-ups on crypto projects and crypto trends like GameFi. Also engaged in content writing hackerthons. I've got a 4star experience with AI content writing generation, Microsoft word, excel, and PowerPoint.

### Community Growth

As a Timelord, my team grew analog discord community from 15k to 25k members in space of 3 months. Engineered strong engagement within the community. 4star experience with quiz bot generation and zealy utilization.
