Profile

“Graphic Designing is self creating work and for revolutionary designing I believe a person must be more creative.”

Myself Ishfaq Tabassum, I am from Bahawalpur and was born in 24 December 1997. I have 5-year experience in graphic designing and made several designs like carton posters, film posters and football advertisement posters. If I get chance to serve this organization then I will struggle hard for the organization as I always do.

Education

Matric Completed
2015

FBISE Islamabad School
Computer Science

I completed my matric in 2015.I got good marks in this (SSC-I and SSC-II) degree.
