■ Summary:

I was born at June,10th 1984 in Iran. I'm experienced at website development and graphic design for more than 15 years. I migrated to Baku, Azerbaijan at the end of 2018 and worked as a "web developer (full stack)/graphic designer (also UI/UX designer)/social media manager". Creativity, passion to improve myself, honesty and work experiences are my main tools to convince customers to rely on me and get their goals. Right now, I'm living in Baku, Azerbaijan and ready to share my knowledges and experiences.

■ Work Experience:

▶ **2003 - 2006:**

- Company: **Simta Advertisment - Rasht city, Iran**

- Position: **Web Developer and Graphic Designer**
