- A Sunday / 10 hr
- B Monday / 10hr
- C Tuesday / 10 hr
- D Wednesday / 10 hr
- E Thursday / 10 hr
- F Friday / 10 hr

ACHIEVEMENTS

Senior FullStack Developer

During the past experience , I have archeived Tops skills about Front end development. Several Types of server side languages are my main skills for Backend development.

Senior BlockChain Developer

My expertise at BlockChain development is BitCoin, Ethereum, Sei, Injective, Tron. Smart Contract developing and deploying is one of my main Skills. NFT staking is good practise for me.
