- English (Basics)

PROFILE

After college, I started working in the field of video production, special effects, music production for games, and managing professional projects. I spent many years managing and producing videos for YouTube and the troiscomedian channel, which has now been renamed mashbax, and I am still working on it.

WORK EXPERIENCE

Mashbaxx instagram

2025 - PRESENT

Video and VFX

- Social media management, video production and scriptwriting, special effects and voiceover, and complete channel management.

Mashbax YouTube

2023 - 2025

Special effects for video making

- Creating special effects videos and adding thumbnail creation and full management

troiscomedian

2022 - 2023

Video Editing and VFX

- Extensive and professional work in making videos and special effects for the YouTube channel troiscomedian. Most of the editing and special effects activities were my sole responsibility.
