graphic Designer for social media

about me

Hi, I'm Reza - a social media graphic designer with 5+ years of experience. I create bold, eye-catching content that helps brands grow online. From Instagram to TikTok, I know what works and why. I deliver fast, communicate clearly, and care deeply about quality. Let's bring your ideas to life with powerful design.

Post design

High-impact ad post designed for a football betting brand – combining elite visuals, strategic layout, and audience-driven engagement.

Post design

Made With

”

Bold, modern travel promo post – created to spark wanderlust and drive bookings with a high-end visual presence.

story design

Made With

”

I turn your ideas into stories that speak. Clean visuals, sharp messaging, and the kind of design that gets clients saying “I want that.”
