

ABOUT ME	<p>Divinity is my name. I am a visual designer, content marketer and web3 marketer. Joining the web3 space in 2021, what piqued my interest the most was the ability to build and be a part of the creation of the solution to certain problems in the space. It's an exciting privilege to be affiliated with projects possessing real-time solution to problems because that's what we need now.</p> <p>My Contacts: Twitter: @0xDivinity Discord: 0xdivinity</p> <p>Portfolio: https://www.behance.net/divineiroegbu</p>
