### RELEVANT SKILLS

- character animation video
- character design
- Quality Customer Service

### DESCRIPTION

Am expert character design/animator that specialization in 2D/3D design/animator artist who uses digital animation software to produce realistic characters, unlike an animation artist who focuses on making drawings, storyboards, or other illustrations. That breathe life into 2D/3D characters, adding nuance and personality through their movements, gestures, facial expressions, and how they interact (and react) with their environment and other characters.
