

Certification

This is to certify that **Jassin Aarab** was employed with Ten8, a full-service consultancy for crypto startups, in the following position:

PR Consultant

Their employment began on 1st of December 2017 and ended on 30th of April 2018.

In his time at Ten8, Jassin was mainly responsible for ensuring the success of the initial coin offering of the client GATCOIN. He was responsible for generating publicity for the project by finding, evaluating and reaching out to potential business partners.

Therefor he searched for Influencers on platforms like YouTube or Twitter, initiated contact if useful and participated in contract negotiations.

His work resulted in more than 30 successful collaborations, reaching a gross audience of 1.5 Million. The GATCOIN ICO raised a total of about 14.5 Million US Dollars.

Additionally, he looked for potential businesses with whom a partnership could make sense.

This certificate is being issued upon his request for whatever legal purpose it may serve.

Issued on 1st of May 2018.
