EXPERIENCE

Senior Full Stack Developer

Hotmeal

📅 2011 - 2014 📍 Palo Alto, CA

Using everyday, normal, grocery shopping, it's easier and less disruptive to become conscious of one's calorie consumption. That's why The Hot Meal prefers not to overwhelm people with the arduous complexities of weight management. Simply shop where you normally shop, but do it with the help of our platform telling you when to stop.

- Shortened project timeline by 14 months for company's largest customer by managing relationship with 3rd party vendors, saving over \$800K
- Led development of the frontend and backend development
- Performed Web Scraping over a catalog of 100K+ excise using mainly NodeJS and MongoDB; completed in 1 month
