👋 Hi and welcome to profile!
I'm full-stack developer 💻 and blockchain expert 🔗 with extensive experience in cybersecurity 🔐.

Passionate about emerging technologies 🚀, I specialize in developing secure and innovative solutions, from web applications 🌐 to decentralized blockchain projects 🛡️.

With several years of experience and advanced skills in technologies like JavaScript ⚡, React ⚛️, NodeJs 💻, Python 🐍, Solidity 🔥, and network security systems 🛡️, I provide robust, tailor-made solutions for your development or security needs.
