PROFILE INFO

I am a Metaverse Strategist and NFT Consultant with 3.4 years of experience in the field. I hold certifications in Metaverse and NFTs from the University of Nicosia and Digital Marketing from Google. My Self-Made Brand, NomadVerse, is a testament to my expertise in building Metaverse places and developing strategies for brands in Metaverse and NFTs.

WORK EXPERIENCE

- Developed Metaverse strategies for brands and businesses, including product placement, user engagement, and virtual events
- Created NFT collections for artists, musicians, and influencers, including smart contract development and token minting
- Built Metaverse places for clients using Unity3D, Unreal Engine, and Decentraland SDK
- Managed social media accounts and digital marketing campaigns for clients, including Twitter, Discord, and Telegram
- Provided consultancy services on Web3.0 technologies, blockchain development, and smart contracts

MY SKILLS & EXPERTISE

- Metaverse development using Unity3D, Unreal Engine, and Decentraland SDK
- NFT creation and deployment on Ethereum, Binance Smart Chain, and Tezos
- Digital marketing and social media management
- Blockchain technology and smart contracts
- HTML, CSS, and JavaScript web development
- Project management and team leadership
