PROFESSIONAL EXPERIENCE

MODERATOR

- As a moderator, I was responsible for maintaining a positive, safe and friendly environment within the community. I enforced community guidelines, monitored chat for rule violations, managed user behavior, and addressed conflicts to ensure a respectful and inclusive community experience.
- Managed and provided the needs of members and news feed.

COMMUNITY MANAGER

- As a Community Manager, I was responsible for overseeing and nurturing the server's overall health and engagement. I facilitated communication, organized events, foster community growth, and ensured a positive environment. I also often collaborate with moderators and address member feedback to enhance the overall community experience.
- Managing the affairs of the community and attending to members needs
- Sales programs development and implementation

COLLAB MANAGER

- As a Discord Collaboration (Collab) Manager, I was responsible for organizing and facilitating collaborative projects within the community. I coordinated communication among members, managed project timelines, and ensure collaboration runs smoothly, fostering a positive and productive environment.

COMMUNITY MODERATOR

- As a Discord Community Moderator, I was responsible for maintaining a positive and inclusive atmosphere within the server. I enforced rules, moderated discussions, addressed conflicts, and helped create a welcoming environment for members. Additionally, I assisted in organizing events and engaging with the community.
- Providing solid communication proficiency, organisational planning and problem solving
