The screenshot displays the forexlive.com website interface. At the top, a dark navigation bar features the 'forexlive' logo, a search bar, and links for 'Brokers', 'FINANCE MAGNATES', and user account options. Below this, a secondary navigation bar lists categories: 'Technical Analysis', 'Economic Calendar', 'Live Charts', 'Live Quotes', 'Education', 'Forex Terms', 'Cryptocurrency', and 'More'. A prominent banner for 'MONETA MARKETS' is visible, advertising 'FREE FOREX SIGNALS' and 'START TRADING LIKE THE PROS!'. The main content area is titled 'Technical analysis' and includes a search bar for tags. A featured article, '5 useful tips for using the MACD indicator in technical analysis' by Itai Levitan, is highlighted. To the right, there's a section for 'Top Forex Brokers' listing various providers like PUPRIME, NAGA, and others. A sidebar on the left promotes 'FREE FOREX SIGNALS' and 'START TRADING LIKE THE PROS!'. The bottom of the page features a dark blue footer with 'MONETA MARKETS' branding, 'FREE Trading Signals', a '25% Rescue Bonus' offer, and a 'Start Now' button.
