# Ehsan Zeydabadi

Writer and Crypto researcher (Pro Technical\_analyst) ramzinex & utofx  
Iran

## Summary

I am Ehsan Zeydabadi, a professional writer and analyst in the field of cryptocurrencies with experience in technical and fundamental analysis since 2019. I focus on analyzing market trends, financial data, and providing investment strategies.

My skills in writing analysis, project management, and working with WordPress have enabled me to contribute to reputable platforms such as TradingView, UtoFX, Ramzinex, UtoTimes, and LinkedIn. You can follow my activities and analysis on LinkedIn and Telegram. If you're looking for accurate analysis, high-quality content, or effective project management, I am ready for collaboration.
