Summary

Animation Specialist:

With a passion for storytelling and a keen eye for detail, I am a seasoned 2D animation professional dedicated to bringing creativity and innovation to every project. With 20 years of experience in the industry, I have honed my skills in character design, motion graphics, and animation in general, collaborating with diverse teams to produce captivating animations that resonate with audiences. From concept development to final production, I thrive on turning ideas into compelling visuals that inspire and entertain. Let's connect to explore how my expertise can elevate your next animation project.

Music composer/Sound designer:

Dedicated and innovative media composer and sound designer with a passion for crafting captivating auditory experiences. With a diverse background in music composition and sound engineering, I specialize in creating original scores and designing immersive soundscapes for a variety of media projects, including films, video games, advertisements, and more. Equipped with a keen ear for detail and a commitment to excellence, I thrive in collaborative environments, working closely with directors, producers, and creative teams to bring their visions to life. With a track record of delivering high-quality, unique sound solutions that enhance storytelling and elevate productions, I am poised to contribute my expertise to the next exciting project.
