

Gilbert Saeed

Fast and Professional
Manager

About Me

My name is Saeed, I am a Full Stack Developer for UI/UX designs, mobile app development, web development, Social Media Marketing and I also deal with ebook writing, Ads copy content, Ai set up, translate any type of document, website, presentation or any other content. I live in Mexico and graduated with a B.S in Computer Science, I worked in the USA as on-site customer support and software developer for a very large pharmaceutical company. I'm passionate about developing innovative programs that expedite the efficiency and effectiveness of organizational success.
