ABOUT MY CAREER

I am an excellent Graphics Designer with 3 years experience in brainstorming and designing excellent visual content for small and large scale business platform.

I am currently looking for a remote job in my current field of expertise, and i am ready to blend in and adjust to any work environment and frameworks.

WORK EXPERIENCE

• IT & SUPPORT

02/2024 - 05/2024 **Mercyland Pacific School**

Mercyland is a top tier elementary and basic education school registered under the International Pre-School Curriculum (IPC). Runs the Cambridge learning methods and resources through the Nigerian Curriculum.

My main responsibilities are: to manage teachers laptops and generate the digital learning resources, ranging from the images, audio files, video files, powerpoint presentation, pdf and interactive assessment.

• SENIOR DESIGNER & PRINT OPERATOR

10/2021 – 11/2023 **Yemet Grafics**

Yemet Grafics is a one stop global printing and design firm for small and large scale contract for designing, branding and printing. Located in the heart of Ogun state, Nigeria.

I worked as the senior Graphic designer and print operator, I collect, manage and supervise design & print jobs in and out.

GOALS ACHIEVED

During my time at the aforementioned organisations, i was able to prove my abilities and not refraining from learning from my successes and mistakes.

In addition, i was commended for a job well-done through cash prizes and recommendation.
