

COVER LETTER

Dear Hiring Manager:

It is with great enthusiasm that I submit my application for the current position in your organization. As an Research Development, Academic, Innovation, Sustainability Journalist, Technology & Policy professional with over **twelve years' experience with various government**, private clients in India & abroad. I know my diverse skills and qualifications will make me an asset to the organization current projects.

An efficient organizer and planner with a history of meeting all assigning goals. I am well with interact staff members at all level. What I would bring to any position includes effective communication, written as well as leadership and team building ability and a proven commitment to first rate service and satisfaction. The accompanying resume can give you an idea of my potential for making a worthwhile contribution to your organization.

As you will see from the attached resume, I've built my career in a variety of roles and industries, mostly in diversified areas . I'm not only used to wearing many hats, I sincerely enjoy it; I thrive in an environment where no two work days are exactly the same.

In addition to being flexible and responsive, I'm also a fanatic for details – particularly when it comes to Policy, Innovation, Mentoring, Consulting, Leadership, Impact Research, Training, Design, & project management. In addition, I have been part of various International Boards as advisory members, Following are my Advisory portfolio.
