### About Me

I'm a Community Manager, Community Builder, Crypto Enthusiasts, Ambassador and Blockchain writer. Learning crypto since 2019. As a cryptocurrency community manager, I am responsible for fostering engagement, moderating discussions, and disseminating important information to members. I strive to create a welcoming and informative environment where members can connect and share their passion for crypto. My goal is to facilitate a thriving community that supports and educates one another.

### Professional Experience

#### IDEX | Ambassador 18-03-2022 / 31-08-2022

Key responsibilities:

As a Ambassador in this Project, my key responsibility is to engage with and build a strong community by managing social media, engaging with community members, creating content, organizing events, and advocating for the project's goals.

#### Terra Virtue | Community manager 03-09-2021 / 30-12-2021

Key responsibilities:

- Develop and implement community engagement strategies that align with the company's goals and vision.
- Create and execute successful community events, including meetups, AMAs, and other online and offline initiatives.
- Manage social media channels, including creating and curating content, responding to user inquiries, and fostering positive discussions.
- Monitor and analyze community engagement metrics to continuously improve community engagement.

#### Degis | Community Moderator 18-04-2022 / 15-10-2022

Achievements/Task o Timely post public announcements and daily replies to community questions. Community Support, Investor invite. Gather daily trends, FAQ and monthly member counts and build up connections with official admins and other community admins.
