

Hey! I'm a Russian based translator with both Russian & USA nationalities.

Was raised in Moscow and lived in California for a while. Traveled around the world, lived in different countries. Currently living in Cape Verde, Praia for over 7 years.

My specialty is IT area, programming, doing graphic design, working with media content. Also, I'm a professional audio engineer with my own recording studio for the last 14 years.

As far as translations, I'm doing translations between the following languages: English, Russian and Cape Verdean Kriolu (Santiago dialect) and also from Portuguese to English/Russian.

Art/Poetry, IT, computers, tourism, music - are my areas of specialization translation wise.

My CAT of preference is memoQ, I can work up to 10 hours a day if needed and able to produce not less than 2000 words a day.
