JOB EXPERIENCE

UX/UI Designer at PARiM

August 2022 – Present time

I am responsible for Scheduling and Attendance part of the product. During my first month I helped to structure the design team and establish collaboration framework.

Kairi Suurekivi (kairi@parim.co.uk)

Lead Product Designer at Deskhero

December 2020 – July 2022

I lead the Design division from the very first wireframe to the actual SaaS web app that is almost ready to hit the market. In one and a half year, I were able to design, prototype, and hand off Helpdesk software with a wide range of features.

Jimmie Antonsson (jimmie@deskhero.com)

UX/UI Designer at CTOK

March 2020 – November 2020

I was hired to redesign Equipment Maintenance Software for small and medium enterprises.

Freelance

April 2019 – March 2020

Worked on projects spanning logo design to web design and presentations.
