## Общие сведения

Are you in need of a post-production video editor? I specialize in various aspects of video and audio editing, possessing a comprehensive skill set and four years of industry experience. My foundation in video editing, audio editing, and audio enhancement is strong.

### Video Editing:

My longest-running projects, which have given me the most experience, include:

- Creating commercials for a real estate agency
- Editing webinars
- Testimonial videos
- Green screen video editing
- Drone video editing

I have expertise in the following audio/video editing tools to accomplish my tasks:

Adobe Premiere Pro

Adobe Audition

Adobe After Effects

CapCut

Canva

Reaper

I also conduct basic color grading and enhance audio quality.

### Audio Editing:

I'm well-versed in audio editing techniques that enhance sound quality and optimize the overall auditory experience. For this purpose, I utilize Reaper and Adobe Audition. I excel at removing background noises, adjusting volume levels, and enhancing audio clarity.

### Video Transcribing and Adding Subtitles:

I am skilled in accurately and efficiently transcribing video content. I am an expert in adding subtitles to videos, ensuring enhanced accessibility for viewers. I am proficient at synchronizing subtitles with the video content.

With a robust work ethic at my core, I find genuine satisfaction in my job. My approachable nature makes collaboration a breeze. Whether it's a personal or professional video project, I will do my best to make your video project inspiring for your target audience.

## Опыт работы

### Eco Films - Georgia

#### Freelance Video Editor

апреля 2022 - Present (2 года 4 месяца)

Georgia

I'm working as a freelance video editor in a post-production studio, handling various tasks. I sorted footage, ensuring seamless organization. Transcribing videos was routine, providing accurate reference material. Subtitle design was executed meticulously, enhancing viewer experience. Skillful in designing impactful titles and lower thirds, enhancing visual appeal. B-rolls were integrated seamlessly, adding depth to the visuals.

### ENCORE STAGING SERVICES, INC

#### Freelance Video Editor

сентября 2022 - июля 2023 (11 месяцев)

Real estate agency Encore Staging Services

I worked as a freelance video editor for a real estate agency, handling various tasks. Edited and sorted footage, incorporated background music, and added sound effects. Executed basic color correction to enhance visuals. Integrated titles and lower thirds for property details. Introduced agency's logo with a professional intro and outro. Total focus on delivering clean, engaging real estate videos.

### Real estate agency "New Batumi"

#### Video Editor

сентября 2019 - января 2022 (2 года 5 месяцев)

Batumi, Ajaria, Georgia

I have worked as a video editor for a real estate agency, specializing in enhancing drone footage. I applied a cinematic style to the footage,

incorporating background music and subtle sound effects. Basic color correction was performed to maintain visual consistency. Titles and lower thirds were added to provide essential property information. I integrated logo intros and outros seamlessly for brand identity. The final edits aimed to showcase properties attractively, meeting the agency's needs effectively.
