CURRENTLY WORKING

Senior Graphic Designer

Infinity Creatives

I create visual concepts, using computer software or by hand, to communicate ideas that inspire, inform, or captivate consumers. Responsibilities may include designing advertisements, brochures, magazines, corporate reports, and other marketing materials.

I also collaborate with other team members such as marketers, copywriters, and printers, to ensure the successful execution of projects. Additionally, they may be involved in brainstorming sessions, presenting ideas to clients, and staying up-to-date with industry trends and software updates.
