Date: 04.09.2023

As an industrial designer and graphic designer, I have over 2 years of professional experience and I am currently in the final semester of my industrial design studies at Azad Eslami West Tehran University. Throughout my work so far, I have gained valuable insights into the importance of design for functionality, user needs, and competitiveness in the market. I am characterized by creativity, responsibility, and teamwork, and I enjoy bringing my skills and passions in design and graphics to various projects to achieve the best results.
