

Ruman Talukdar

Graphic Designer

About me

Hi there! i am ruman Ahmed As a professional graphic designer, I'm passionate about making brands stand out with simple, contemporary, and powerful designs. I've worked in the design field for more than [4 years], and my areas of expertise include marketing materials, social media graphics, brand identification, and logo design.

I create designs that are not only aesthetically pleasing but also in line with your company's objectives by fusing my creativity with strategic thought. My method is team-based, meticulous, and
