

# Katerine Klachkova

Graphic designer/ UX/UI

Minsk, Belarus

+375 25 547 65 94

---

Hello, I'm a graphic/UX UI designer with over 3 years of commercial experience. Proficient in Adobe Photoshop, Adobe Illustrator, Figma, InDesign, After Effects, Premiere Pro, Sony Vegas Pro, 3ds Max, Maya, Zbrush, and Clip Studio. With a 5-year art education, I have a strong foundation in drawing art, detailing, and other graphic elements, and I am adept at website layout design. My English proficiency stands at level B2. Additionally, I possess skills in working with neural networks, including chat GPT and Midjourney.

---
