

Hello! I am BartArcher and i am a discord moderator and will manage your discord server professionally. I have a wide range of experience in discord.

My main vision will be to build strong relationship with the community

****Managing Contests:****

Games

Handling Giveaway contests

Server invites contest (We will ban members inviting ALT accounts or bots)

****Server Chat Engagement:****

Welcoming new members

Creating Awareness about the project to new members

Discuss road map & utilities

Conveying whitelist(WL) to members

Keeping Chat active & create HYPE

Respond to TICKETS

Resolve members problems and queries

Posting memes and fan arts

Give roles to members

Along with that I can hold AMA's and games week to week

****Discord Backend Management:****

Handling Discord Security

Roles and Channel permissions

Control Bot Raids

Add new bots in server if needed

Banning spammers & rule breakers

Manage server technical faults.

Dms always open, feel free to get in touch with me so i can give what's best to your community.
