WELCOME TO
AMMAG TECH

REVOLUTIONIZING INDUSTRIES WITH BLOCKCHAIN AND GAMING

ABOUT US

At AMMAG Tech, we are passionate about empowering the future of blockchain and gaming. With a deep understanding of these cutting-edge technologies, we strive to create innovative solutions that push the boundaries of what is possible. Our mission is to harness the transformative potential of blockchain across industries, including gaming, unlocking new opportunities and transforming experiences for businesses and users alike.

WWW.AMMAG.TECH

COMPANY OVERVIEW

Ammag Tech is a pioneering 360 Degree Blockchain & Gaming company, at the forefront of innovation where blockchain technology intersects with the gaming & other industries.

OUR VISION

We envision a future where technology seamlessly integrates with every aspect of people's lives, from finance and education to logistics, real estate, gaming & sports to entertainment and culture. Ammag Tech is committed to revolutionizing these industries through our cutting-edge products and services.

OUR STRENGTHS

02

INNOVATIVE SOLUTIONS

We develop groundbreaking solutions that leverage blockchain technology to enhance efficiency, security, and transparency across industries.

EXTENSIVE EXPERTISE

With our team of experts, who have been working together for more than half a decade, we bring a diverse range of skills and experiences in the fields of Blockchain, AI, Metaverse, and Gaming. This extensive expertise enables us to tackle complex challenges in these cutting-edge technologies with confidence.

01

OUR STRENGTHS

03

CLIENT RETENTION RATIO

With a client retention ratio of over 90% in the domains of Blockchain, AI, Metaverse, and Gaming, our extensive expertise speaks for itself. We consistently deliver exceptional results, earning the trust and satisfaction of our clients, while building long-term partnerships.

GLOBAL REACH

With a growing portfolio of projects and white label products, we have established a strong presence in multiple regions, allowing us to lead the digital transformation in the space of Blockchain worldwide.

04

OUR STRENGTHS

ON-TIME DELIVERIES

In addition to our extensive expertise and high client retention ratio in Blockchain, AI, Metaverse, and Gaming, we prioritize timely deliveries. Our team is committed to deliver projects before the deadlines, ensuring that our clients receive their solutions on time, every time.

05

OUR MISSION

TO LEAD THE DIGITAL REVOLUTION, WE AIM TO:

1

Transform industries by integrating blockchain technology into existing systems, driving efficiency and trust.

2

Redefine the gaming experience by leveraging the power of blockchain to enable new forms of ownership, value creation, and community engagement.

3

Empower individuals and businesses to embrace the potential of blockchain and gaming for growth and innovation.

4

Taking pride in elevating our brand to new heights, to empowering enterprises in specific industries with blockchain transformative solutions, enabling them to thrive in an ever-evolving digital landscape.

WWW.AMMAG.TECH

OUR EXPERTISE

As a trusted industry leader, we bring together a wealth of expertise in blockchain technology, gaming, and various other domains. Our team of skilled professionals, including Blockchain Architects, Developers, Designers, and Strategists, combine their knowledge and passion to develop innovative solutions tailored to meet the unique needs of our clients. With a deep understanding of the latest trends and advancements, we stay ahead of the curve, delivering cutting-edge products and services.

OUR SERVICES

360 BLOCKCHAIN SOLUTIONS

We offer end-to-end blockchain development services, including smart contract development, tokenization, decentralized application (DApp) development, and blockchain integration for various industries, including gaming, finance, supply chain, real estate, and more.

GAMING SOLUTIONS

Our expertise extends to the gaming industry, where we develop captivating games, in-game asset management systems, virtual economies, and secure payment gateways. We specialize in creating immersive experiences that leverage blockchain technology to enhance gameplay and foster player engagement.

1

2

WHITE LABEL PRODUCTS

We offer a range of customizable white label products designed to meet the unique requirements of specific industries. From finance and ed tech to logistics ERP, design & construction in the metaverse, DeFi sports, and entertainment & culture metaverse, our solutions provide turnkey options to accelerate growth and transformation.

3

4

BLOCKCHAIN CONSULTING

We provide consulting and advisory services to guide businesses on leveraging blockchain technology and incorporating it into their existing infrastructure. Our team of experts offers strategic guidance, feasibility studies, and market analysis to help organizations harness the potential of blockchain and gaming.

OUR SERVICES

WHY AMMAG TECH?

At AMMAG Tech, we pride ourselves on our commitment to excellence. We stay ahead of the curve by staying updated on the latest trends and advancements in blockchain and gaming. This allows us to create unique, tailor-made solutions that meet the specific needs of our clients. We value transparency, reliability, and customer satisfaction, and we strive to build long-term partnerships based on trust and mutual success.

PROJECTS AND CASE STUDIES

At AMMAG Tech, we take pride in our extensive portfolio of successful projects that showcase our expertise and ability to deliver value to our clients. Through these projects, we have demonstrated our capabilities and achievements across a wide range of industries. Here are just a few examples:

01

FINANCE

Our blockchain-based solution revolutionized the financial industry by streamlining transactions, ensuring transparency, and enhancing security.

02

EDUCATION

We developed an innovative ed tech platform that leverages blockchain to provide secure certification and verification processes, transforming the way credentials are managed.

LOGISTICS

03

Our logistics ERP solution improved supply chain management by enabling real-time tracking, reducing inefficiencies, and enhancing overall operational transparency.

ENTERTAINMENT & CULTURE METAVERSE

04

We created an immersive metaverse experience that brings together entertainment, culture, and blockchain technology, offering users unique and engaging interactions.

WHITE LABEL
PRODUCTS

01 ERUSD

An ETC DAO Grant-winning platform which heavily relied upon principles of MakerDAO & smart contract development for mechanisms and functionalities. The development also included the creation of dApp & ERUSD's very own stablecoin.

https://erusd.ammag.tech/

02 Gameovitity

Gameotivity is the future of no-code game development—an open-source engine for creating 2D, 3D, and multi-player games with ease. With its intuitive drag-and-drop interface, design and publish games across iOS, Android, Steam, and the web—no coding required!

https://gameotivity.com/

03 IntelMarkets

A leading decentralized marketplace for buying, selling, and trading advanced AI agents, combining cutting-edge analytics with blockchain technology to empower groundbreaking deployment of AI tools.

https://intelmarkets.io/

WHY COLLABORATE WITH AMMAG TECH?

At Ammag Tech, we offer compelling reasons to collaborate based on the following factors related to our business

01

STRONG MARKET POTENTIAL

By partnering with Ammag Tech, you gain exposure to rapidly growing industries: blockchain and gaming. These sectors have immense potential to reshape multiple industries and provide significant opportunities for growth and innovation.

02

INNOVATIVE SOLUTIONS

Ammag Tech is at the forefront of innovation, constantly pushing boundaries and exploring new possibilities. By partnering with us, you gain access to our innovative solutions that can give your business a competitive edge and drive digital transformation.

DIVERSE PRODUCT PORTFOLIO

03

Our extensive range of white label products, blockchain solutions, and gaming innovations caters to various industries. This diversification ensures multiple revenue streams and opens up a wide array of opportunities for collaborative projects and market expansion.

CUSTOMIZATION AND FLEXIBILITY

04

We understand that every business has unique requirements. Ammag Tech excels in providing customized solutions tailored to your specific needs. Our flexible approach ensures that we can adapt to your business goals, preferences, and industry demands.

ESTABLISHED TRACK RECORD

05

We have a proven track record of delivering successful outcomes and creating value for our clients. Our extensive project portfolio and case studies demonstrate our ability to execute projects effectively, providing you with confidence in our capabilities and the potential for successful collaboration.

STRONG INDUSTRY PARTNERSHIPS

06

Ammag Tech has established strategic partnerships and alliances with key players in the blockchain and gaming industries. These partnerships enable us to leverage synergies, access cutting-edge technologies, and collaborate on joint ventures, further enhancing the value we can offer to our clients.

07 TALENTED TEAM

Ammag Tech boasts a team of experienced professionals who possess in-depth expertise in blockchain technology, game development, and business strategy. With their knowledge and skills, we are well-equipped to deliver innovative and impactful solutions tailored to your specific needs, ensuring a collaborative partnership that drives success.

08 EARLY MOVER ADVANTAGE

By collaborating with Ammag Tech, you position yourself as an early mover in the adoption of disruptive technologies. As the use of blockchain and gaming expands, this strategic advantage allows you to stay ahead of the curve and leverage emerging opportunities for long-term success.

09

CONTINUOUS SUPPORT AND MAINTENANCE

Collaboration with Ammag Tech extends beyond the initial implementation. We provide ongoing support and maintenance services, ensuring the smooth operation of the implemented solutions and promptly addressing any issues or updates that may arise.

10

FOCUS ON SECURITY AND COMPLIANCE

We prioritize security and compliance in all our solutions. With our expertise in blockchain technology, we ensure robust security measures and adherence to industry standards and regulations, safeguarding your data and maintaining trust and confidentiality.

SCALABILITY AND FUTURE-PROOFING

09

Our solutions are designed with scalability in mind, allowing your business to grow without limitations. We also stay ahead of emerging trends and technologies, future-proofing our offerings and ensuring that your collaboration with Ammag Tech remains relevant and adaptable to evolving market dynamics.

Partnering with Ammag Tech provides you with a comprehensive, professional, and forward-thinking approach, enabling you to tap into the market potential, diversify your offerings, benefit from our expertise, and gain an early foothold in these exciting industries.

We appreciate your time and consideration in reviewing our pitch deck.

For more information or to schedule a meeting, please contact us through our website

WWW.AMMAG.TECH

We look forward to the opportunity to collaborate and shape the future of blockchain and gaming together.
