## Profile

Passionate and versatile designer with expertise in UI/UX Design, Graphic Design, Brand Identity Design, and Nocode Development. Driven by a love for technology and innovation, fueling my creative approach. Meticulous attention to detail and a penchant for pushing boundaries. Dedicated to delivering exceptional results, thriving in collaborative environments. Let's create something extraordinary together, leveraging creativity and technical prowess. Committed to staying abreast of emerging trends and technologies. Ready to tackle any design challenge with enthusiasm and expertise.

## Experience

### GRAPHIC DESIGNER /Revive Battery

MARCH 2024 - PRESENT

- Managed graphic design initiatives, and ensuring consistent brand representation.
- Conceptualized and executed visually appealing designs to elevate brand image.
- Presented design solutions, incorporating stakeholder input for optimal outcomes.

### BRAND & GRAPHIC DESIGNER /YLO
