GAMING EXPERIENCE

I once experienced playing on a tournament in mobile legends but unfortunately we lost in the semi-finals. I always experienced scrimmage in codm and mobile legends.

- Mobile legends (mythical glory 900 points)
- Cod mobile (legendary 15k points)
- Pubg mobile (Ace)
- League of legends (gold 1)
- Valorant (gold 2)

WHY SHOULD YOU HIRE ME

I CAN FIT IN PROPERLY AND BE A GREAT ADDITION TO THE TEAM. I POSSESS SKILLS AND EXPERIENCE THAT MAKE ME STAND OUT.

When I had facebook, I was able to play games there like pet society, farmville and etc. I really enjoyed playing such games until I went to gradeschool, my cousins taught me to play computer games like league of legends and I realized that I am a fast learner and I can understand the game properly until now I play alot of games and when I discovered axie infinity, I got interested because it's like dragon city which i played when i was a kid and I really want to help financially to ku family especially we are in pandemic.
