Fia

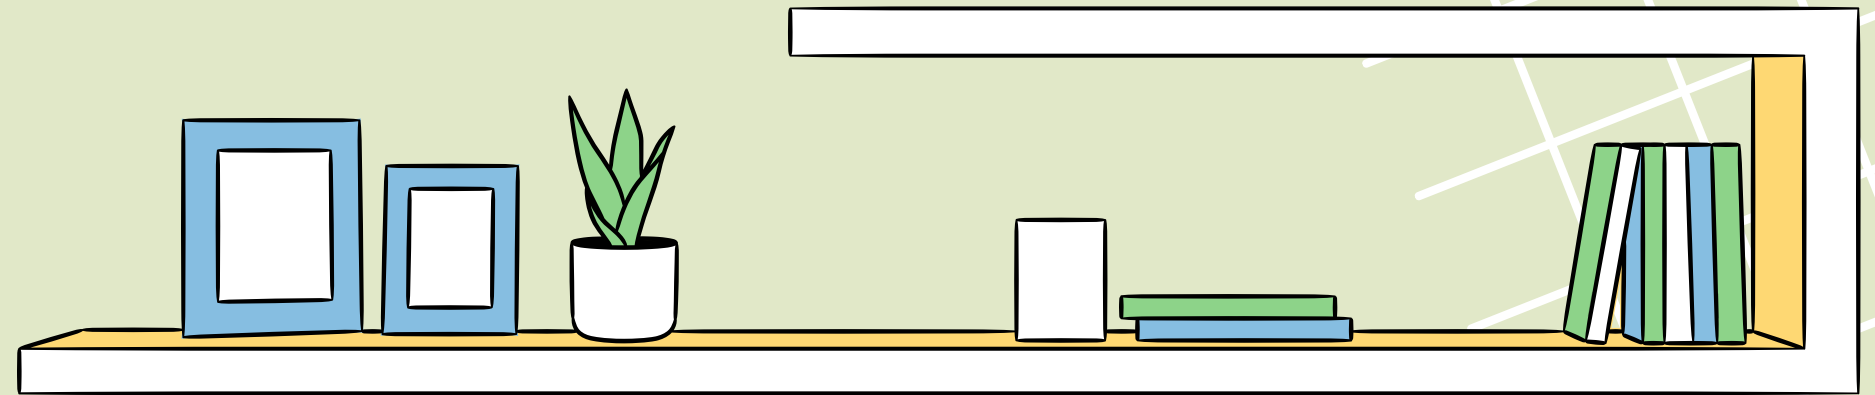

About Me

AVERY FIA

My name Fia I have skills, drawing and designing. I have studied digital design and drawing for 5 years. I have also completed several projects ranging from traditional drawings to clothes. And also digital art starting from art styles according to client requests and also cartoon and anime art styles

Education

2015

SD YAPIS TIMIKA

2018

SMP YAPIS TIMIKA

I learned about the religion
of science and also
developed my skills in the
field of drawing and started
opening commissions in the
form of character design
Character

2020

SMK YAPIS TIMIKA

I majored in office administration, and
learned about filing, writing letters,
calculating expenses and income. And
other administration lessons And don't
forget to continue developing my skills in
the field of design

Personal Skills

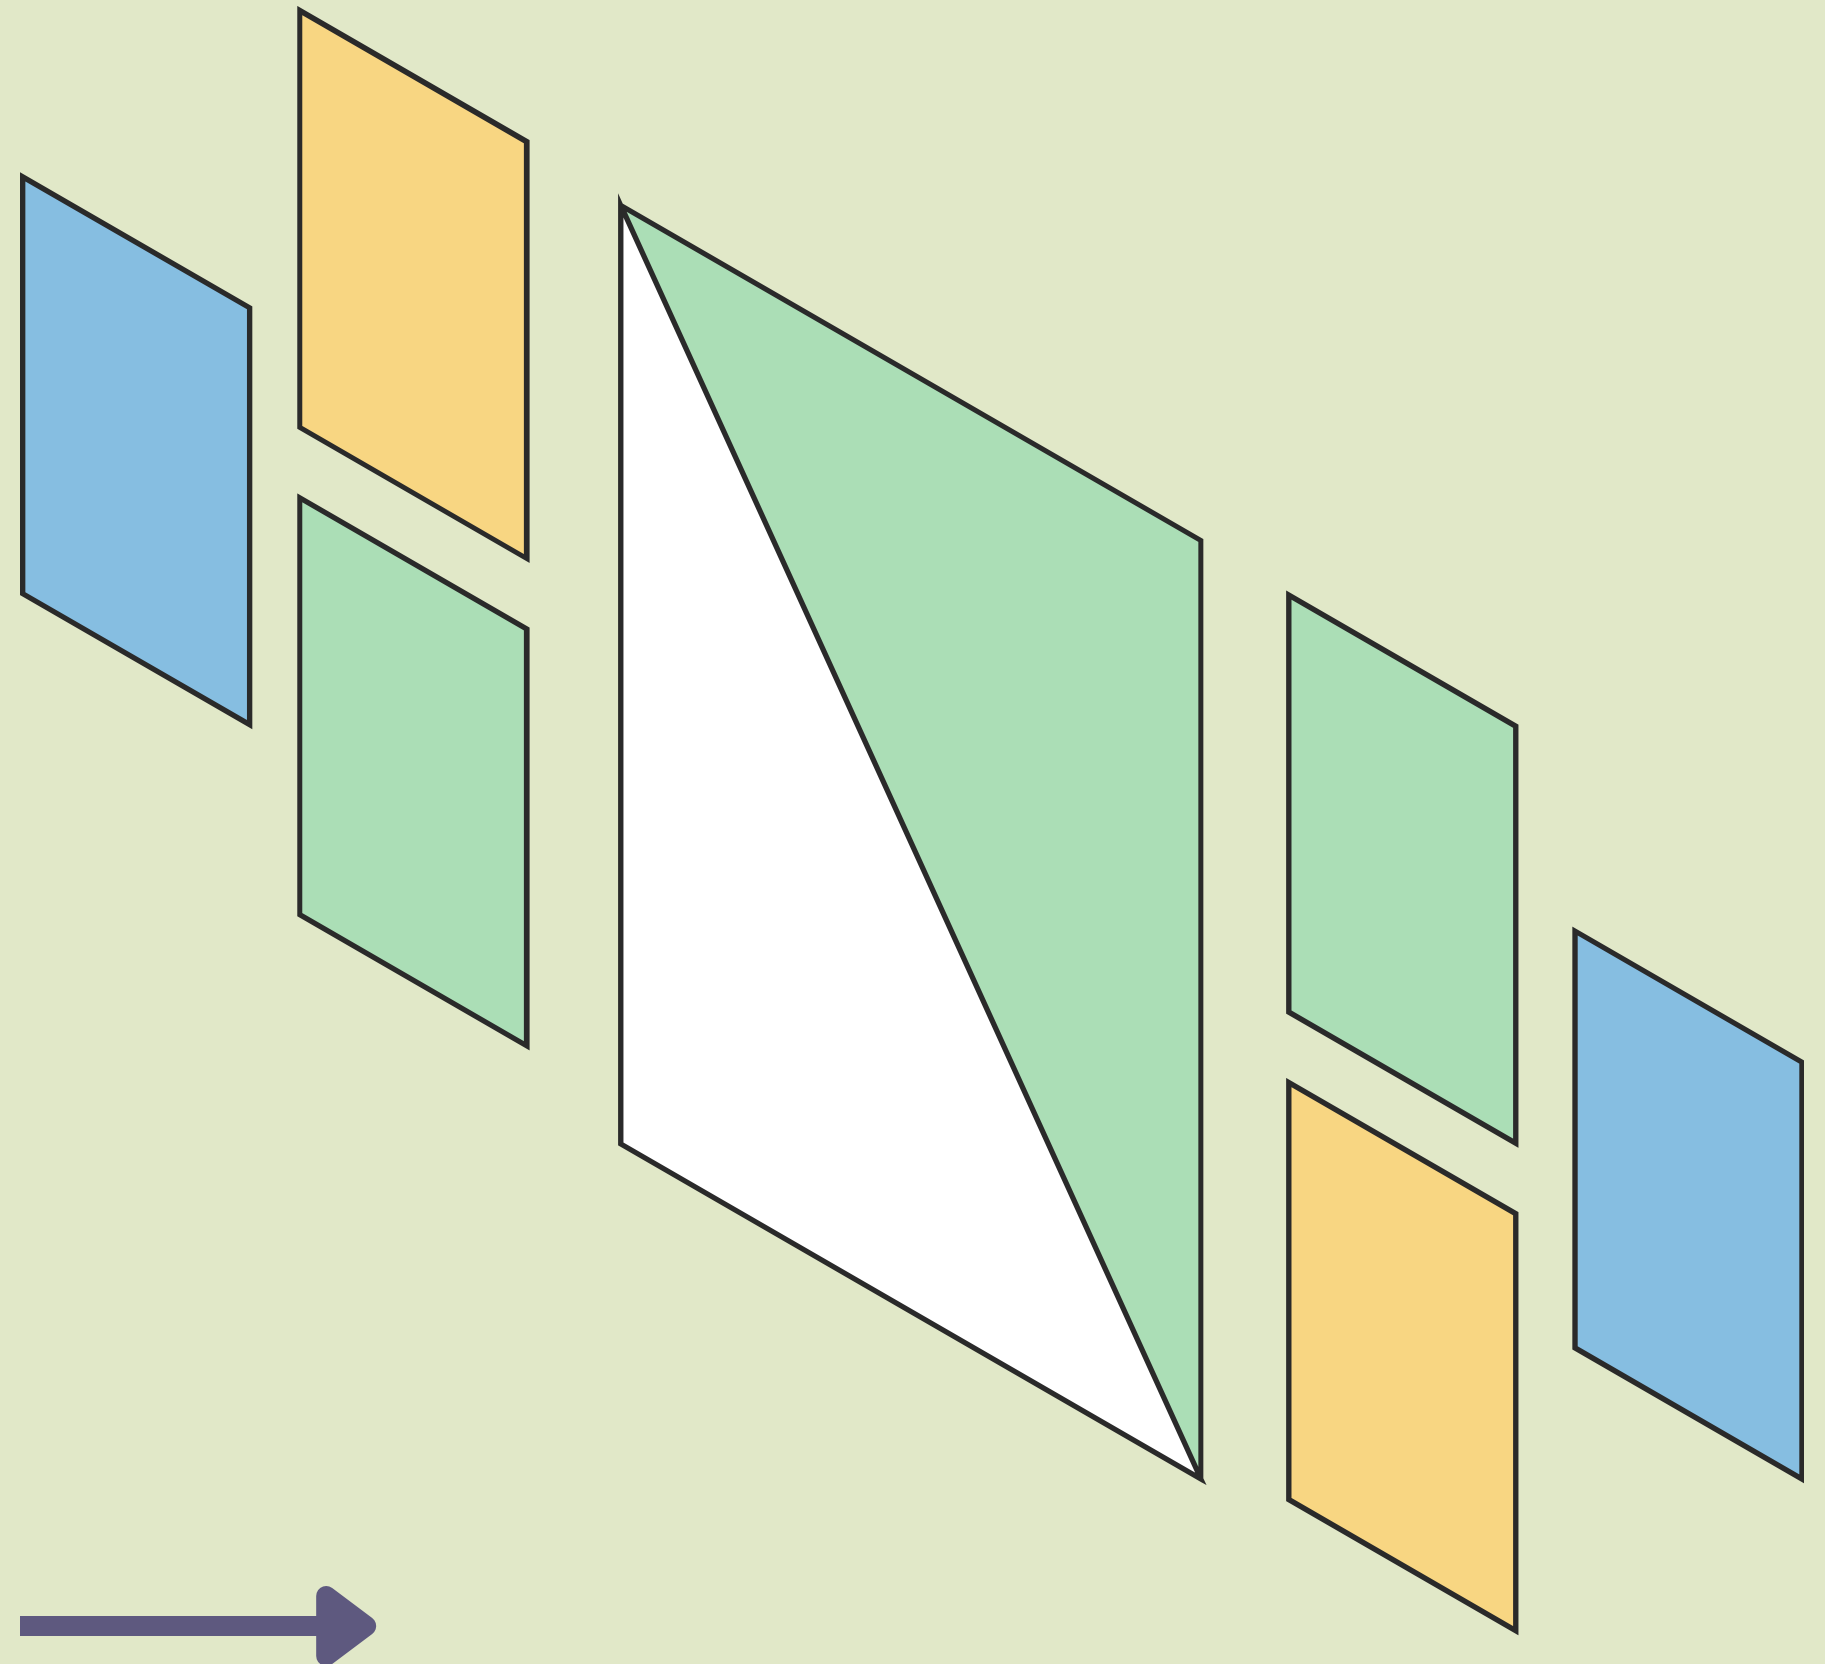

DESIGN ART

DESIGN LOGO

CONTENT CREATOR

Work experiences

I have worked from studying at Yapis Timika Middle School by opening commissions until now I have also completed several projects with my clients with maximum results.

DESIGN

Project PORTOFOLiO

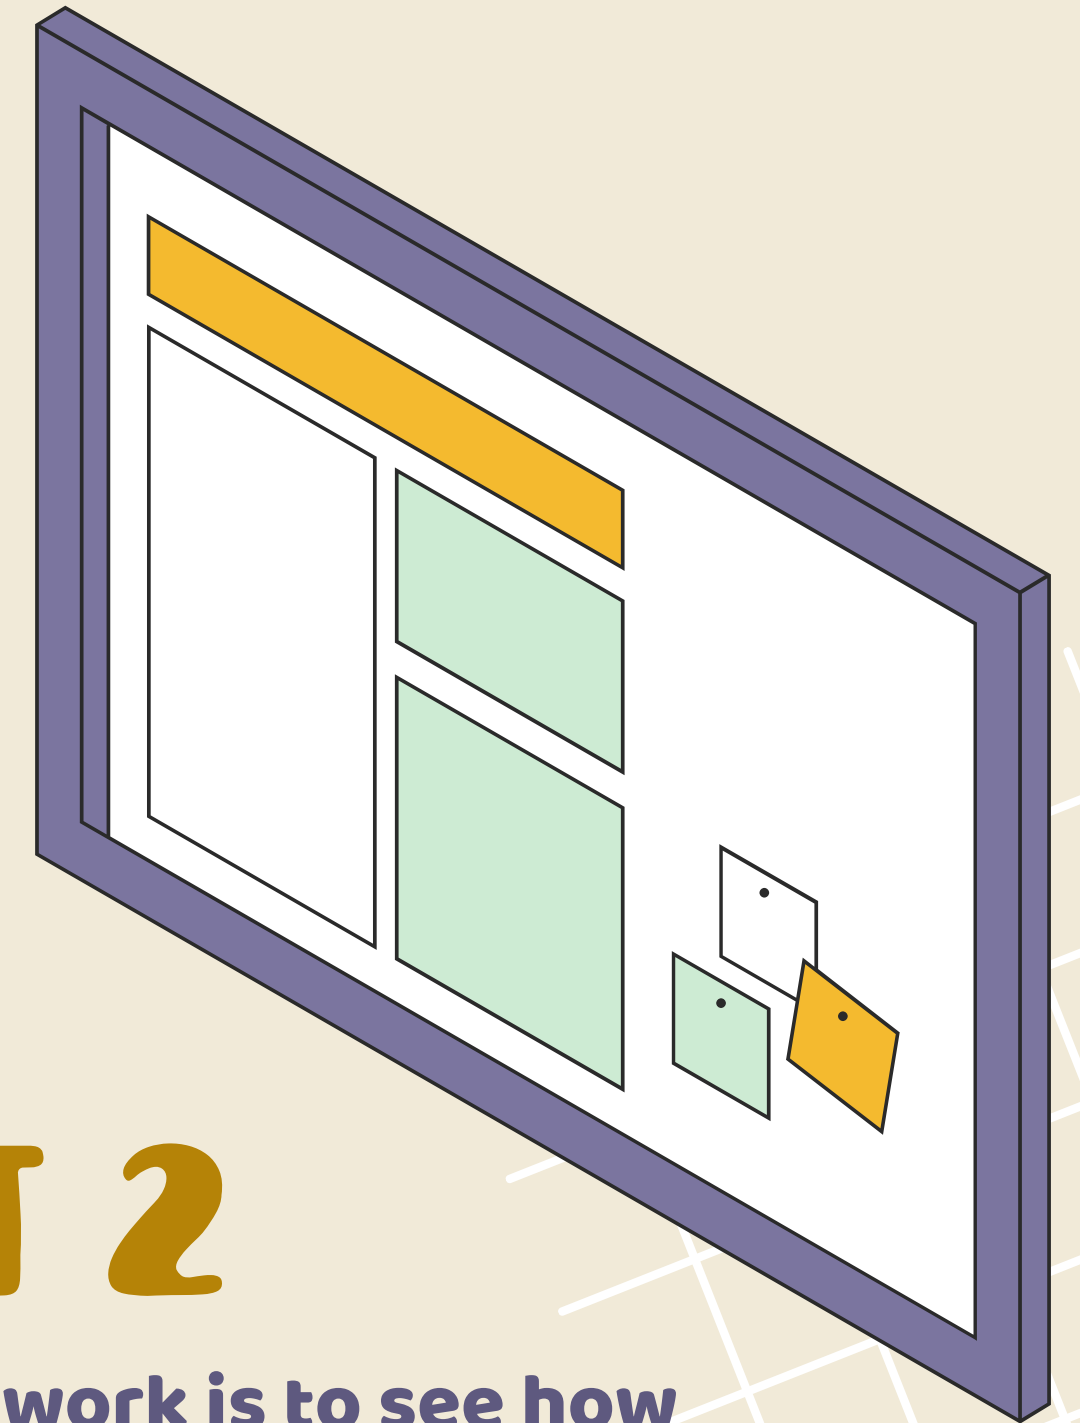

PROJECT 1

Design Traditional art on clothes on the date 4 May 2024 uses anime art style and nice colors The client really liked this work

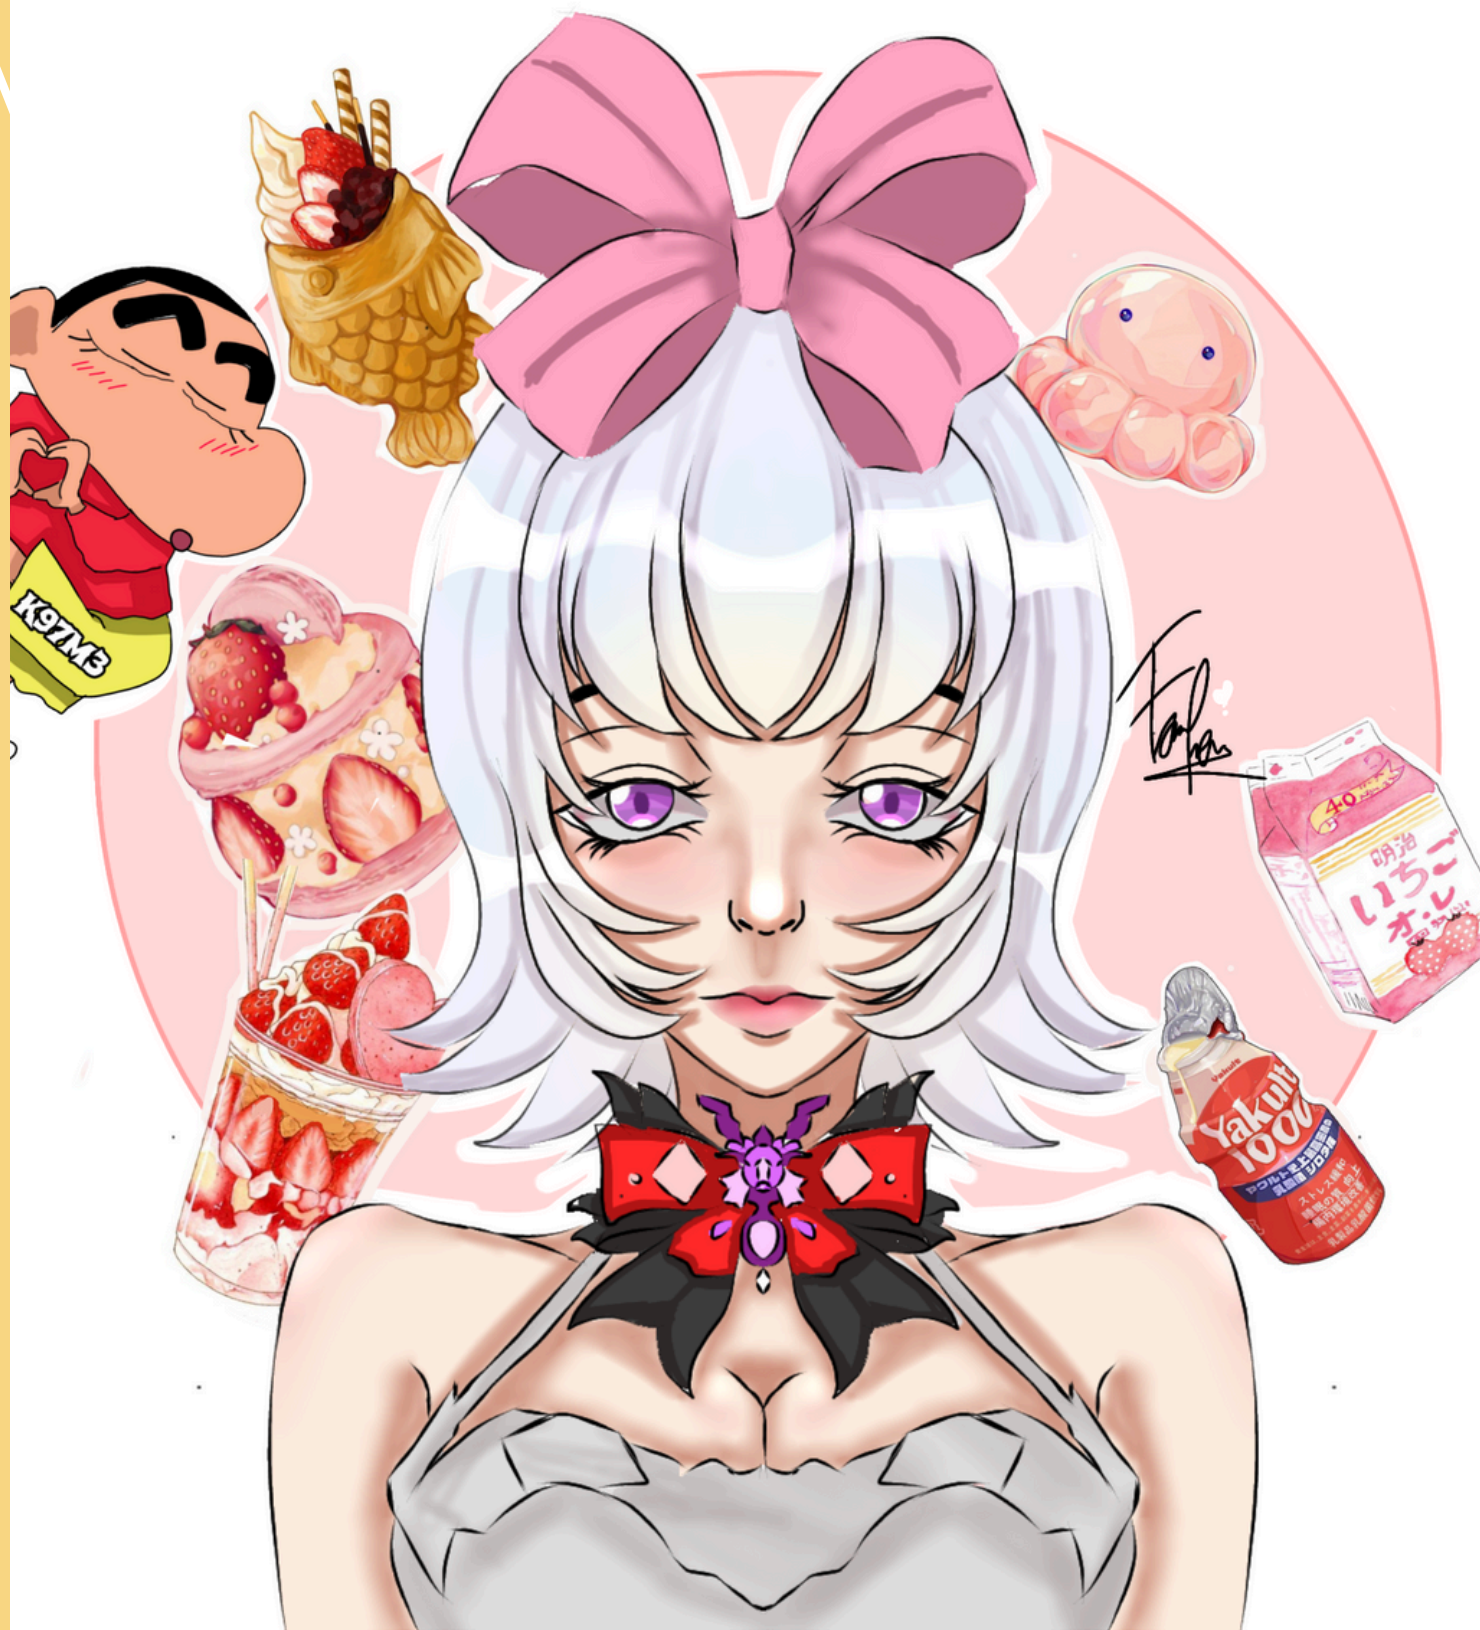

PROJECT 2

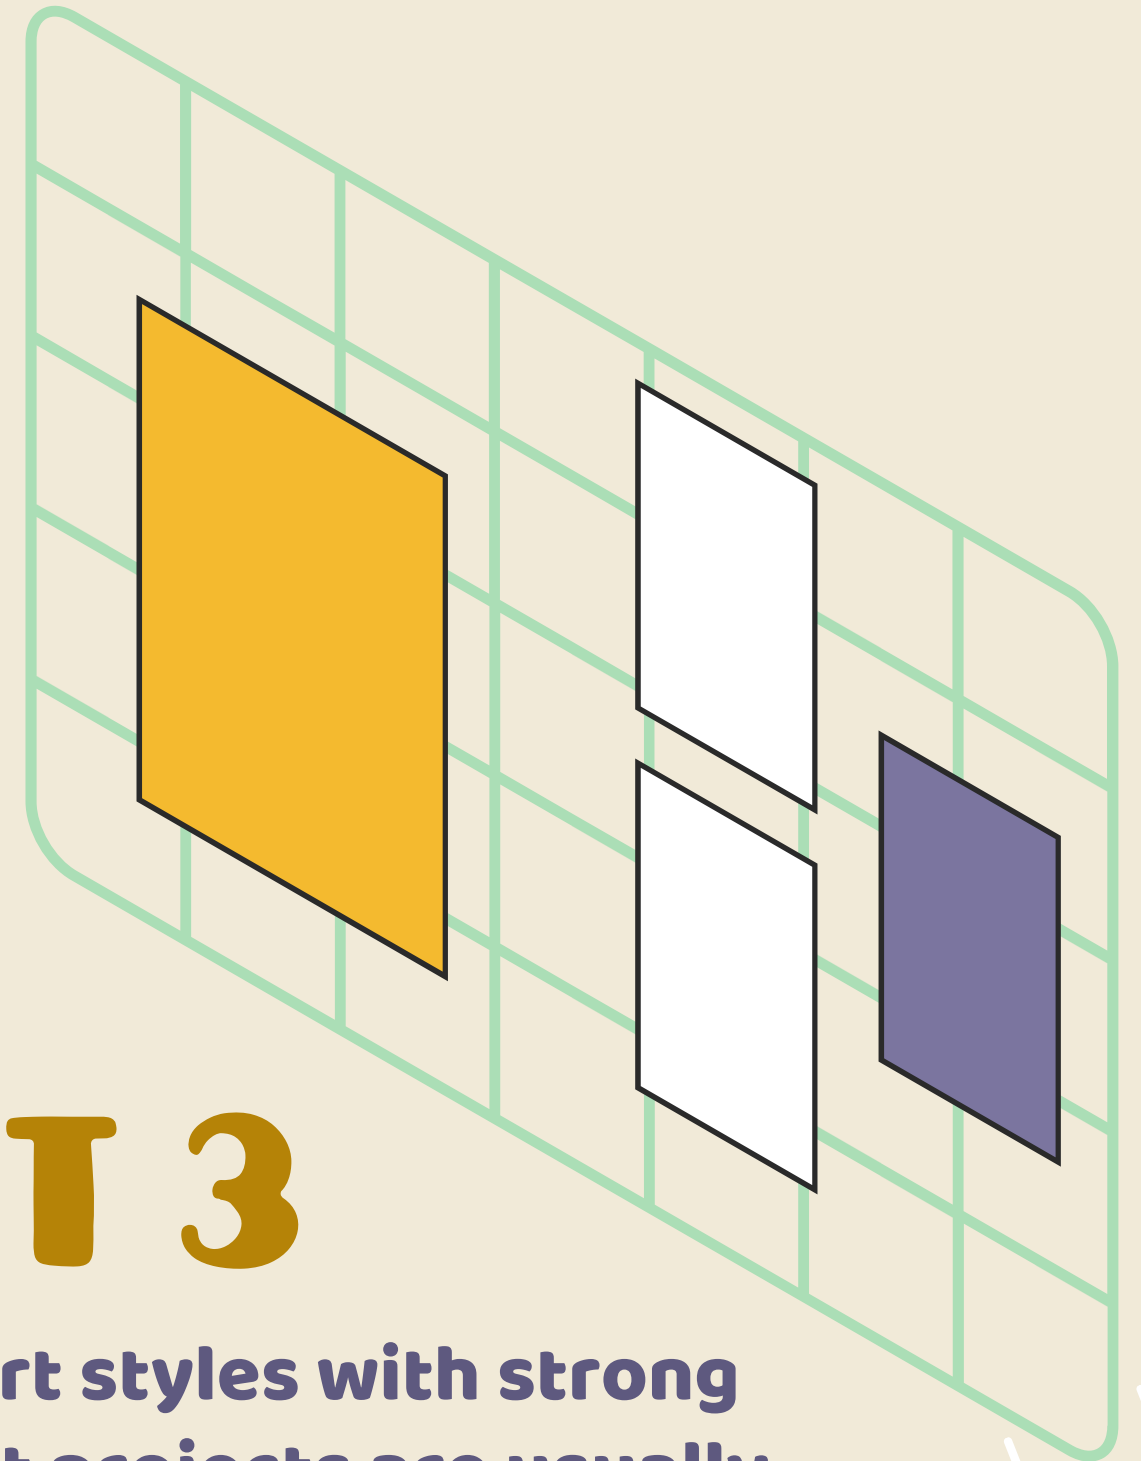

I recently made it This work is to see how far my digital art is capable of making you believe in the art I create

PROJECT 3

Logo art For anime art styles with strong characters, anime art projects are usually the best sellers because many communities are interested in anime and really like art.

LET'S WORK
