

Portfolio - Transcription & Typing Services

1. Audio/Video Transcription Example

"Hello, my name is John. I am a freelance writer and editor. I help businesses create high-quality content. If you need assistance, feel free to contact me."

Transcription:

Hello, my name is John. I am a freelance writer and editor. I help businesses create high-quality content. If you need assistance, feel free to contact me.

2. Typing from Image Example

Original Image Text:

"Meeting at 10 AM. Prepare the report. Send an email to the client."

Typed Text:

Meeting at 10 AM. Prepare the report. Send an email to the client.

3. Translation Example (English to Russian)

English:

"The future belongs to those who believe in the beauty of their dreams."

Russian Translation:

"Budushchee prinadlezhit tem, kto verit v krasotu svoikh mecht."

This portfolio demonstrates my transcription, typing, and translation skills. I am ready to provide fast and accurate work for your project!
