Welcome to Pixel Perfection

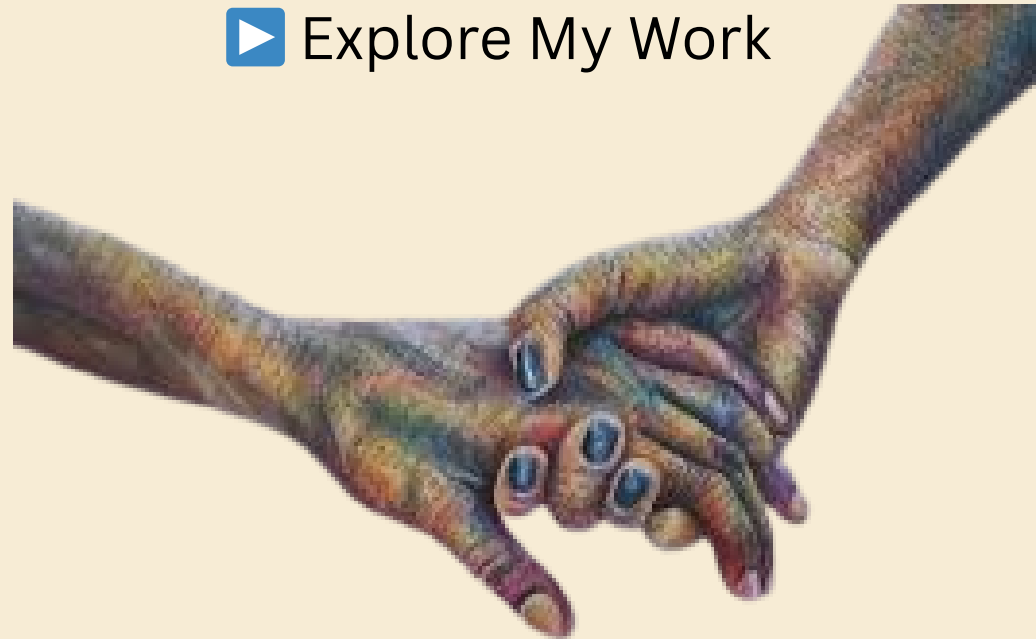

Welcome to Pixel Perfection

I'm Mamoula Kantai—transforming your photos into vibrant, retro-style pixel art and crafting bold, minimalist logos.

About Me

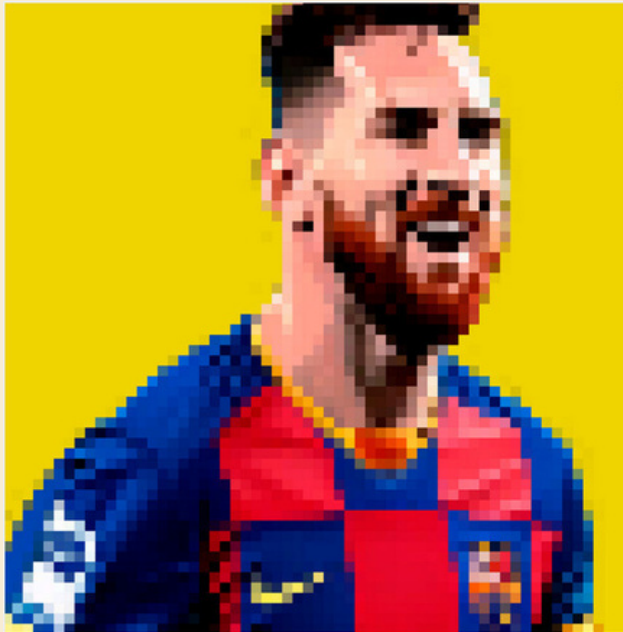

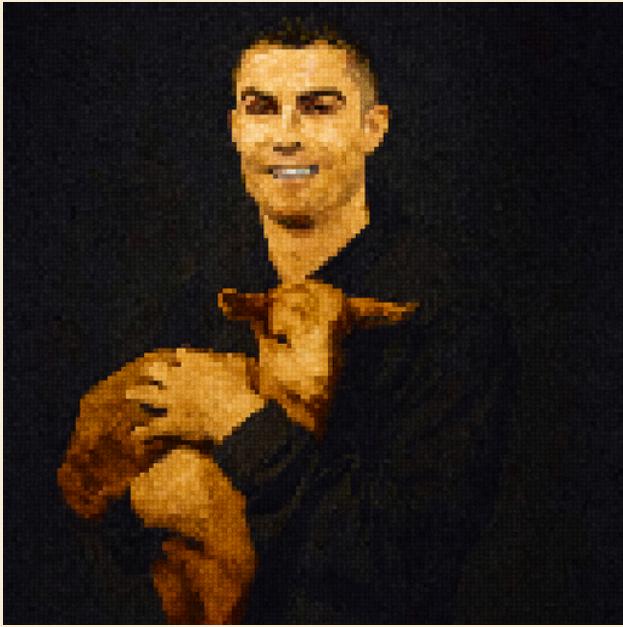

👤 I'm a digital pixel artist based in Jardin de Carthage, Tunisia. Since 2022, I have:

- 🖼️ Turned portraits, pets, and snapshots into artifact-free pixel masterpieces
- 🖋️ Designed simple, memorable logos with a nostalgic twist

💵 Great art should be accessible—every piece is \$15 flat, no surprises.
