

# Santhosh's Data Entry Services

---

## About Me

I am a detail-oriented freelancer offering fast and reliable data entry services. With experience handling spreadsheets, form filling, and copy-paste tasks, I ensure 100% accuracy and timely delivery.

## Services Offered

- Data Entry (Excel/Google Sheets)
- Copy-Paste Tasks
- Form Filling
- Typing from Images or PDFs
- Email List Creation

## Sample Task Preview

Client asked to copy contact data from a website into Excel. I organized the data into neat columns: Name, Email, Phone.

Another task included typing 3 pages of handwritten notes into a Word document with accurate formatting.

## Pricing & Delivery

Standard Package - \$15:

- Includes 3 small data tasks
- 24-48 hour delivery
- One free revision

Custom offers available for bigger projects.

## Payment

I accept payments in Bitcoin (BTC), Ethereum (ETH), Tether (USDT), BNB, and more via LaborX platform.
