Profile Overview

Hello! I'm Ali Shabbar Abbas, a reliable and hardworking freelancer with over a decade of experience in auditing, administrative support, and digital services. After surviving a heart attack, I'm now committed to rebuilding my career through remote work. I'm well-versed in:

- PDF editing and form customization
- SEO writing and product descriptions
- Online research and commercial evaluation
- Basic Photoshop work
- ChatGPT-powered automation and AI content generation

I am detail-oriented, organized, and always deliver work on time. I accept payments in Bitcoin via my OKX Wallet.
