

# Monthly Sales Report

Report Date: April 2025

Prepared by: Your Name

## Summary

This report summarizes the sales performance for the month of April 2025. The data includes total sales volume, best-selling items, and overall revenue.

## Highlights

- Total Sales: \$126.00
- Best-Selling Product: Burger
- Total Orders: 3

## Notes

Sales remained steady throughout the first week of April. Burger had the highest demand among customers. Further promotion of combo meals is recommended to increase average order value.
